State Normal Institute.

State Normal Institute. A notable event in educational circles in this State will be the State Normal Institute, which commences its session at the University, at Morgantown, June 18, and ending July 13. No teacher can afford to miss this opportunity for gaining information at such a small cost. The faculty of the Institute speaks volumes for the earnest and thorough work that will be done. It will be composed that will be done, It will be composed of the following instructors, every one of whom is eminent in his or her line: E. M. Turner, A. M., LL. D., President W. Collbran, Gen. Passenger Agent, Cincin-Va. University, instructor in pedagogy D. B. Purinton, A. M. LL. D., Vice Presi dent W. Va. University, instructor in psychology; John I. Harvey, A. Pollock, Principal Kindergarden Institute. Washington, D. C., instructor in kindergarten, and lecturer on kinder-garten methods.

The evening lecture course promises to be a source of great profit and pleasure. Those who will be engaged in this field are: Rev. Dr. R. F. Randolph, of this city; Professor W. P. Willey; Mrs. M. Stevens Hart, and Mrs. Susan P. Pollock, of Washington, D. C. The professional training that this Institute will afford will be of incalculable benefit to those who have adopted teaching as their calling in life. Another feature, and by no means the least beneficial, will be the enjoyment to be derived from the beautiful scenery that surround this pleasant town, and its healthful

situation. Besides, the people are hospitable and cultured, and the most deightful entertainers. With all these advantages the Institute cannot help but meet with the success the projectors
